

There he was responsible for leading the development department for Wohlenberg-group.

After the 4 year lasting interlude with AM International and refoundation of the Wohlenberg Schneidesysteme GmbH, Hannover, and the Buchbindesysteme GmbH, Verden, in 1993 Hans-Dieter Ehlermann became Managing Director of the Wohlenberg Engineering & Consulting GmbH and is responsible for sales and marketing of the Wohlenberg program for the markets in Arabia, Middle East, India, Far East, China and Australia / New Zealand. He quit these actions at 31st December 2008.

On 1st January 2009 Hans-Dieter Ehlermann – meanwhile grandfather for two times – founded a new company: Ehlermann Engineering UG – and contracted a cooperation deal with the Wohlenberg-Baumann PPC for sales and marketing for Wohlenberg and Baumann cutting systems for the markets in Arabia, Middle East, India, Far East, China and Australia / New Zealand.

For his career and private matters we wish Hans-Dieter Ehlermann especially health and good luck!
